Ms. Jaen specializes in cannabis law, licensing, and regulatory compliance, as well as general corporate and business law. Ms. Jaen advises clients on cannabis licensing and regulatory compliance matters, including representation before the Colorado Marijuana Enforcement Division, the Denver Department of Excise and Licenses, and other local regulatory agencies. Ms. Jaen is committed to compliance and is an expert in many different aspects of the legal cannabis market, including the federal enforcement risks in legal cannabis markets. Ms. Jaen has served as legal counsel for operating businesses and advised public and private companies on how to operate in the cannabis space.
